## LA LIBYE SACRIFIÉE POUR LES ELECTIONS PRESIDENTIELLES AMERICAINES:

A l'approche des élections présidentielles aux Etats-Unis, les politiciens américains cherchent à tout prix à recueillir le maximum de voix notamment auprès des Juifs, très nombreux aux Etats-Unis.

Pour y parvenir, ces mêmes politiciens cherchent un bouc-émissaire devant être sacrifié. Actuellement, ils ont choisi la Libye comme cible pour plusieurs raisons : - Il existe en Europe des journaux qui ont été manipulés par des ennemis de la Paix pour qu'ils s'attaquent à la Libye pour une période de 20 ans.

- l'extrémisme des Juifs qui prennent la Libye comme ennemi numéro un pour avoir manifesté son soutien aux Palestiniens afin de libérer leur patrie et les territoires occupés par la force par Israël.

- La Libye est prise comme cible pour avoir pris les devants pour condamner l'Etat hébreu qui occupe illégalement les territoires arabes. Il y a d'autres raisons qui

font que les Etats-Unis d'Amérique s'efforcent pour détruire complètement la Libye dans les plus brefs délais :

- Les USA savent très bien que leurs intérêts chez les pays arabes pourraient diminuer considérablement dans les jours à venir. La Libye a en effet déjà commencé à éveiller les pays arabes pour qu'ils protègent leur patrimoine pour qu'il ne soit pas pillé vers l'Occident.

- Parce que la Libye éveille constamment les pays musulmans et d'autres pays africains encore en voie de développement.

- Parce que la Libye se bat pour que les arabes aient une indépendance complète et constituent une et une seule nation.

- Parce que la Libye est un pays qui lutte pour que les pays africains aient une auto-suffisance alimentaire.

Pour toutes ces raisons évoquées ci-haut, la C.I.A. (agence de renseignement américain) en connivence avec ses satellites européens

ont monté de toute pièce un acte d'attentat meurtrier. C'est ainsi qu'ils imputent à la Libye l'accident d'un avion américain, survenu en 1988.

Rappelons que lorsque les Etats-Unis avaient bombardé la Libye en 1986 prétextant qu'elle avait trempé dans l'attentat de Berlin, les Etats-Unis affirmaient également qu'ils luttèrent contre le terrorisme international. Mais il s'est avéré que c'était de la pure injustice. Rappelons également que la prétendue responsabilité dans l'attentat contre l'avion américain avait d'abord été imputée à l'Iran, puis à la Syrie ensuite aux Palestiniens. Et voilà qu'après trois ans, c'est le tour de la Libye et dans le seul

but de nuire à ce pays et surtout pendant ces périodes de multipartisme auquel le monde est confronté. Les Etats-Unis font cela sans preuves tangibles et palpables, mais seulement dans le seul objectif de faire de la Libye un bouc-émissaire dans la perspective des prochaines élections présidentielles aux Etats-Unis.

NGEZE Hassan.

# AK'ABAHUTU KASHOBOTSE MU IJORO RYO KU WA 27/1/2011

Dutangiye umwaka wa 2011 Yesu aje ku isi. Ubwo hashize imyaka 20 inyenzi z'abatutsi biyise inkotanyi zifashijwe n'uwaru Perezida wa Uganda Yoweri Museveni ziga-bye ibitero amashyamba mu Rwanda. ## HARABAYE NTIHAKABE

Muri Gashyantare 1972, amazi amaze kuranga inkombe ku buryo muri Kaminuza hari hasigaye harangwa n'ubwiganze bw'abanyeshuri bo mu bwoko bw'abatutsi, ni bwo abahutu bemera revolisiyo ya 59 barakaye, amalizi aramankwa, abahungu barahungu.

Imvuru zabaye icyo gihe zaranzwe n'uburyarya bw'ubutegetsi bwariho kuko ku mugaragaro berekanye ko bashakira kuzihosha, nyamara bagaca inyuma bakenyegaza umuriro rwihishwa, ibyo ndetse ni imwe mu ntandaro z'ihirikwa ry'u-bwo butegetsi kuko ntacyo bwari bugishoboye mu gihe bwashyigikiye imyirane kandi ari bwo bwagombye kugerageza kuyihosha. Baca umugani ngo «Ijoro ribara uwariraye», Uroye uko bifata muri iki gihe, wagaragaye abatutsi bibagiye ibyabayeho icyo gihe. Nyamara se kwibagirwa kwa he ko ari ukuzambya isaso ngo barore ko baramuka.

Ku ruhande rw'abahutu bamwe nabo, imyifatire yabo iributsa wa mugani ngo «Itabi ry'i Nduga ni

kaburabuza kuko urihinga, rikaguteranya, utarihinga nabwo ukarirara».

Birababaje kubona umunyamakuru nka Musangamfura Sixbert kimwe n'ishyamba nka MDR na PL bijundika abantu b'ibikurankota bafashe iya mbere muri 1972 bagasubiza umututsi mu mwanya we. Igitanjaye cyane ni uko abo bapfakumye bashakira kubihereza ku bo bita «abakiga» nk'aho ari bo bategakaga icyo gihe. Ese ubundi tutagombye kurora abari bagize «comité de salut» tukazirikana gusa icyo bakoze, icyo kidakorwa ubu u Rwanda ruba rugeze he? Mbibutse ko abatutsi muri Kaminuza icyo gihe barengaga 60%. Naho kwigira inyaryenge, ukirinda kugaragara aho rwakomeye, hashira imyaka n'imyaka ukabona gusodokana akari mi gasize umunyu wishyira aharyoshye ngo «mwa batutsi mwe dore ababasagaraye ni bariya bakiga» ni imyifatire iranga abantu b'ibigwari. Dore nk'ubu abahutu bazi gushishoza baravugira iya bahanda bagarageza kubumwisha ko umwanzi yabace-

ngeyemo, mukayavuniramo ibiti ngo aho gutegukwa na Habyarimana muzategukwa na Kagame! Umunsi ba rudasubira rwakomeye barakaye bagashyiraho «comité du salut» yo kubakura muri icyo mihanda mugaye mujijishirizamo ab'injiji munadukingiriza umwanzi ngo tutamenye aho ageze, nyuma ntumuzongere gusodokana ka karimi kanyu kuko tumaze kubamenya; mu bahunze muri abahutu, mu batutsi muri MDR na PL, mu mahanga muri inkotanyi,... muri ba kaburabuza nk'itabi ry'i Nduga. Imyifatire yanyu kandi ntitanjaye kuko mwiganjemo imvange nka Twagiramungu, zitwa abahutu kwizina rya ba se, naho ingiro yabo igahora igamije inyungu z'imiryango ya ba nyina. Ariko ubundi Twagiramungu apfana iki na Sekuru kwa Nyina. Aho ari se? Niyo waba witwa Kayibanda nta kiremwa-muntu gishobora guharanira inyungu za se ngo cyibagirwe iza Sebukwe. Ibyo kandi byagaragajwe n'imisaranganyirize mibi y'imyanya mu mashuri byaranzwe Repubulika ya mbere, kimwe n'imyifatire mibi ya Twagiramungu yambariye gutoza ishyamba yihaye

kuyobora (niba atari kuriyobya) akyorosa ibinoti by'umwanzi ukorera muri PL.

Hari na ba Mugenzi bishuka ngo ishyaka PL si iry'inkotanyi, ngo kuko ubwabo barishinze inkotanyi nka Kameya, Mbenda... zikazamo nyuma, Mbega ubuswa ! Umwana w'igitambambuga we ayobewe ko mu mayeri yabo yo kwigarurira ubutegetsi, abatutsi buri gihe birinda kugira icyo bahindura kubyaraho, ahubwo babyifashisha mu guhimangira ubutegetsi baba bamaze kwigarurira ?

Mu mataka y'u Rwanda niko buri gihe byagiye bigenda. Mu ikubitiro rya mbere bakiva muri ABISINIYA, basanze mu Rwanda hari abami b'abahutu bafite ibihugu batwara, ingoma, n'abiru. Abatutsi nta kindi bakoze uretse gusimbura abo bami ku ntebe zabo, abiru bakomeje akazi kabo, na za ngoma zihinduka iz'abanyiginya.

Kuva muri 1973 Habyarimana amaze kubaha ihumura bararoye bati : « abahutu baracyarakaye reka tube twibagije ibyo kubakura ku ntebe zabo, tubanze tubahakweho, tubinjire kugera ku ndunduro y'amahanga aka Cyambara-ntama, hagati aho Habyarimana aye asanasana Repubulika ya kabiri, bityo igihe ni kigera tuzabone tubufate. Habyarimana yari yababereye inararibonye, ntiyatumye babyuriraho ngo basingire ubutegetsi. Umushiru ayobewe iki ? Ko yenda ise yari yaramuvunguriye ku ibanga rya ba sekuruza ryatumye abatutsi batarigeze babasha kwigarurira icyo abaswa basigaye bita akazu k'ingoma-mpu-tu-nshuru. Habyarimana ahubwo yarabahatse biratinda, bibashobeye bitabaza iza Museveni. Ariko se babonaga ko uwo mugabo w'umuhima ashobora gutsinda uwo yacyeyeho Incuro igihe yamusemberezaga, ubwo yavundagurikaga mu kinani arwana na Obote ? Ibyo byose bima ze kubapfana bibuka ko mu gihe cyabo ba sekuru intsinzi bayibonye mu karere k'igihugu cya Mashira. Bati : « Ubwo Habyarimana atunaniye reka tugane amajyepfo yenda ntitezabura abo duhenda ubwenge ». Ntibyatanzwe, bakigeraye bakizwa impundu nyinshi, baracumbikiyirwa, bisasira PL biyoborera MDR.

Bukeye bihererana Twagiramungu na Mugenzi bati : « Mudutize aya mashyaka yanyu buracya tujya mu mihanda gutera imidugararo kugeza ubwo tuzahirika igihangange Habyarimana uva mu kazu umututsi yananiwe kwigarurira kugeza ubu. Ngaho rero intambara barayishoje. Ngaho mu mihanda baravuzaba abagenzi amabuye, barapfumira otobisi babuza abana kujya kwiga, baratukana iby'abashumba, barashotora ingabo z'igihugu ari nako bagereza kuzisopanya, barateranya amoko n'uturere... »

Gatabazi na Ngango bo muri PSD tuziho ubuhanga no kuvugisha ukuri barabiroye bati : « N'ubwo tutumwikana n'ubutegetsi buriho, ntaturageza aho guhirimbana kubusimbuzwa ubw'inkotanyi ». PSD yibohoje icyo mu mutego wa Gacumbabuhake. Ikwiye kubishimirwa kandi igahita ihabwa imyanya ikwiye muri Guverinoma y'inziba-cyaho. Ese MDR nayo izibohora ? Sinzi ko byashoboka bene wabo ba nyina wa Twagiramungu bakiri hanze. Ndagize nibariza Mugenzi n'abayoboke be. Mu byo aherutse kuvugira kuri Radio Rwanda yemeza ibyari byatangajwe na Bizimungu Pasiteri ko PL ikorana n'inkotanyi nta cyadutangajemo kuko twari dusanzwe tubizi. Ariko se yongeraho ngo icyabibateye ni uko ubutegetsi bwanze kubabwira impamvu nyakuri na kamere by'iyi ntambara, ibyo bigatuma tumenya ko mwe hari impamvu nyakuri na kamere muzi, kandi ngo mukaba mugaya leta ubuswa bwo kuba itazizi, uwafata umwanzuro ko muri mu bataguye igitero hari icyo yaba yibeshye ho ? Uwavugaga se ko ari cyo gituma mwemeza ko mufashe ubutegetsi intambara yahita irangira yaba yibeshye ? None se ko inkotanyi (ari zo mwe) zifashe ubutegetsi zakomeza kurwana zishaka iki ? Aho wibeshya rero Mugenzi n'inkotanyi zawe, n'uko wibwira ko nimufata ubutegetsi intambara izarangira kandi mu by'ukuri ari bwo iya 59 izarangira. Ngaho rero ba uhambira uturago.

Niba wasobanukiwe neza n'iyi nyandiko usanze interuro ngo « Harabayeye ntiha kabe » ifite ishingiro ni indengeri ryayo. Kuko abibeshya

ngo bazi ubwenge, bwarangiza iyi ntambara, biyibagiza ko ubwabo iramutse irangiye izo nkotanyi zigataha, twe tubona hari n'abandi bazi ko hari n'ukundi byagenda.

Tumaze kwihangana bihagije, imvugo siyo ngiro, icya ngombwa ni ibikorwa ! Mugenzi reka gukomeza kuroha abo « Bana b'Imana » ku rugamba, mu Rwanda kandi abashavuye, abarakare, abiteguye guhora bariho ubazi. Komeza ushinyike ngo wowe uvugana n'inyenzi ! Komeza urohe abatutsi ku icumu nk'uko Kanyaragwe yabashyeye mu Mutara. Komeza ubarohe mu myumbagatanyo mu gihugu nk'uko umwana w'umushiru, umuhutu, Bizimungu Pasiteri akuroha ngo muri kumwe we yibereye i Burayi.

Ibiba muri Kapitali muri iki gihe twese dusanzwe tubizi, kandi niko bisanzwe, icyo umwanzu acika intege, atararekana, ntaho adapfunda imitwe, nkuhiriye mu nzu. Musomye muri KANGURA No 28 (urup. 7) ibaruwa uwiye Tirwomwe Patrick yandikiye ababo bari imbere mu gihugu, mwasanga programu yabo ikiraho. Hari aho avugaga mu gice cya kabiri cy'iyi baruwa ati : « Tugomba buhoro buhoro kurwanya stability iwacu, tukabona uko tugera ku ntego yacu ». Arakomeza ati : « Ayo mashyaka wowe wishisha ni ayacu, rwose azabidufashamo... buri ahyaka ryahawe ubutumwa bwaryo. Mugomba kubimenya kandi mu kayinjiramo. Amashiriki (amafaranga) si yo mubuze yo gucungera hose mu bwenge kandi mugakomeza guha urubuga ibinyamateka byanyu (iby'ibyitso by'inkotanyi), bakabitesha umutwe, tukabyigarurira twitonze. Nibiba necessary ubwo tuzitabaza terrorism na banditism bananirwe. N'ubwo muri bako rero, ayo mashyaka yacu muyamenye... »

Ariko Mugenzi warahira ngo iyi baruwa ntiyakugezeho ? Amabwiriza akubiyemo ntuyubahiriza riva ? Shoza intambara mu gihugu rwagati. Uzi uko uzayihosha. Uretse ko urebye nabi...! Harabayeye ntiha kabe !

Byongeye kandi, hali igihe umugabo wanjye yali afite umwanya mu nzego z'ubutegetsi bwa FPR (aliyo ihagaraliwe na PL mu rugaga rw'amashyaka yemewe mu Rwanda) Muli icyo gihe nabonye kandi numvise byinshi mu Batutsi mherereye kubo mu rwego rw'ubutegetsi bwa FPR-Inkotanyi, batasibaga iwacu, banahacumbitse umunsi itari muke, ibyumweru ndetse n'amezi. ## BAHUTU, BITE BYANYU ?

Iyi nyandiko nyanditse ngira ngo ngire inama «Gahutu» kuko iyo nshishoje mbona aha n'uhuzagurika kandi ibihe tugezemo ari iburizo. Ngasaba abanyamashyaka bene Gahutu gukanyura, gutekereza no kureba kure, bakareka kurwana ku nyungu zabo bwite cyangwa inda zabo ngo abe arizo bimiriza imbere maze bakaba bavaho bibagirwa rubanda nyamwinshi ibari inyuma kandi ibahanze amaso. Nkongera ngasaba bene Gahutu aho bava bakagera bese ko bagomba gutera bakikiriza kimwe, ntibababakwihananganira cyangwa ngo babe bemera ko hagira undi nakwita kidobya cyangwa se kirogoya yabo ubihisha mu bityo bakaba Korali (Chorale) yuzuye kandi iririmba hamwe (qui chante en chœur), abakuru n'abato basanzwe bemera, bizera kandi baziho ubuhanga buhanitse n'akamenyeri gahagije (expérience) ku buryo yahorana umwanya wabo wa mbere, ntirushwe n'udukorali twutse ejo tukijandajanda twirwanaho ngo turamuke kabiri. Nibyo byadushimisha....

Ibi bihe turimo rero ni ingorabahizi : tugize intambara itwugariye muri Byumba na Ruhengeri, tugize inkubiri y'amashyaka avuka umunsi n'ijoro nayo itoroshye, hari umurundo w'ibinyamakuru (nako ibinyamatiku) byirirwa bitukana gishumba bitiza umwanzi umuri ndi, bigamije guteranya no gufata n'abaturarwanda imbere mu gihugu cyacu dukunda kugira ngo havuke imvururu, umwiryane, amatiku, inzangano n'ubwumvikane buke, ibyo bikaba byadutera kuryana hagati yacu, cyane cyane ko ibyo bigirwa-binyamakuru bibyutsa ibibazo by'uturere ariko byibanda cyane ku kibazo cy'amoko.

Bene Gahutu, mureke kwitana bamwana ahubwo mushake uburyo mwishyira hamwe maze murebe ngo ikibazo kirakemurwa mu muntu umwe. Ubumwe bwanyu nibwo mubuze nta kindi.

Ikindi kandi nababwirira, kwirirwa mutukana musebanya, aho

umwe anyuze undi akahanyuza umuriro siyo nzira iboneye yabageza kuri demokarasi isesuye kandi iboneye, twese twahagurukiye. Tugomba guhirimbana yego, kandi nyine birumvikana niko bigomba kugenda kuko ntawe ubona icyo atarukiye. Umurundi niwe wagize ati : «ushaka umuce acika ishanya, ushaka umubira akabira akuya». Nibyo ni uguhatana buri wese aho ari hose no muri byose kandi tukamenya ko inkongi imwe itubaka inzira. Ni ugukoba nibyo ntabindi, tugaharanira tutizigamye demokarasi isesuye kandi idafititse, itari imwe iririmba n'inkotanyi z'inyangarwanda.

Mwene Gahutu ni wowe mbwira, ufite rwose uburenganzira bwo kujya mu ishyamba wihitanyemo. icyakora ndagusaba nkomeje ko mbere yo guhitamo wabanza gutekereza neza cyane utazavaho utegwa n'umwanzi, ukaba igikoresheye eke utabizi cyangwa ukazibona ku kiboko no kuri shiku. Umwanzi afite imitego myinshi kandi atega kwinshi. Azi kwiyoberanya no gucengera mu cyayenge. Akunyura mu mizi ukibona wanangutse.

Muri izo ntambara urimo urwana wahabonye byinshi kandi uracyabibona ndetse ndizera ko umaze kuhakura amazamo atari make. Wahamenyeye n'amagambo y'igikatu nka za RUKOKOMA, nyoni nyinshi, kubohora no kubohora, icyitso, Matimba (Nyamirambo), mu Rugano (Chez Lando), mu KAZU (Kigali Night).... Mbere yo kubohora mugenzi wawe ujye ubanza urebe ko wowe ari shyashya kuko hari igihe ingoyi yawe yaba ikajije kurusha iye. Cyangwa se kubera kuba ukomerewe n'ingoyi ugakeka ko bese muri kimwe dore ko «uruvugundi rutagoramba kandi ko nta nkumi yigayira». Nanjye nti : Pour mieux sauter on ne prend pas son élan sur fossé.

Bene Gahutu aho muri hose, nimwunge ubumwe mushyire hamwe, mukumire kandi muhashyire umwanzi ubugariye. Nimwifatanye

mube akaramata, muvuge rumwe mwicarane muje inama, muganire musangire (nk'uko abandi babikora). Nimugirane inama zubaka, mufatane urunana rudakuka, mukundane bidasubirwaho, mutaramane mufashanye, murwananeho mutizigamye, mwuzuzanye iby'uturere mubivaho muri bamwe muri abavandimwe, muri bene mugabo umwe. Gusebanya no gutukana mubiharire abashumba n'abatagira uburere, mwirinde icyatuma mutatana cyangwa muhahana. Dore kuva ubu mubimenye : «Ubwumvikane n'ubufatanye byanyu niyo niworo idatimburwa y'ugutsinda kwanyu» (votre unité, votre entente et votre solidarité font l'arme invincible de votre victoire). Niba bitabaye ibyo, muravomera mu rutete, muragororera mu ruca. Muri make murasiga irangi ku mazi, ntaho muva ntaho mujya. Umwanzi araturya isataburenge, arabazi ariko mwe muri mu icuraburundi; arabiyegereza aseka ariko ku mutima abahema. Murakorana nyamara ariwe mukorera, muganira akuvoma. Iyo mukina we aba ashira. Aseka bya nyirarurehwa wowe amenyo ntakozwe agahu. Uwo Nsekambabaye ntashirwa ahorana intimba itayega, inzigo ye arinda arunduka akiri nayo ndetse akayiraga n'abe asize. Iyo uteye intambwe araribwa, ntajya yishima na busa keretse abonye akurunduye.

Harakabaho ubumwe n'ubwumvikane by'Abahutu aho bava bakagera ! Harakabaho demokarasi iha buri muntu uburenganzira busesuye. Harakabaho ingabo z'igihugu zihanganye n'umwanzi; tuzifurije kumunesha burundu.
